Printed copies of the News Sheet can be collected from the office

When planning to visit our office please arrange a time in advance as we have limited space to accommodate visitors. Our Development Workers can still liaise with you on a one to one basis in the office (prearranged), via Zoom or telephone. Follow us on Facebook: <https://www.facebook.com/County-Armagh-Community-Development-323174921059420/> Website: www.cacd.org.uk

Our office will be closing for the three Bank Holidays in May
Mondays 1st, 8th and 29th
Enjoy your extra Bank Holiday this year,
Thank you King Charles

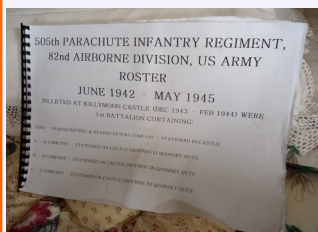

The Directors, Committee and Staff of Co Armagh Community Development would like to take this opportunity to wish King Charles II and Queen Camilla best wishes on their Coronation. We acknowledge your Charitable work over many years, especially with young people and the countryside.

Back in May 2016 CACD staff were privileged to attend Sloan's House for the Royal visit by Prince Charles. The afternoon was a huge success with large crowds lining the streets of Loughgall to welcome the Prince. Once inside he was treated to a tour of Sloan's House before planting an apple tree in the Garden Of Remembrance. The Prince also spent time with victims of terrorism.

Meeting Others - Tuesday afternoon Club

The Meeting Others group had a day trip to visit Killymoon Castle in Cookstown recently. They stopped at Julie's Cozy Coffee Shop in Garden Corner for coffee and arrived in Cookstown in time for a tour and history of the Castle. This was followed by Lunch and some free time to enjoy the grounds.

Information

**Making the most of your Slow Cooker Workshops
for families with children aged 12 or under.**

Is this something your group could benefit from?

The 4 week course is a practical nutrition education programme to empower participants to use a slow cooker, shop smarter and make healthier food choices. Also, each participant will receive a Family Sized Slow Cooker, a 101 Square Meals recipe book, a weekly ingredient bag with which to cook a nutritious family meal in their slow cooker.

**We would love to hear from groups of 5-10 families or
we can try to match individual families to another group in
the area if that suits.**

Please contact Lottie at admin@cacd.org.uk to sign up.

***Do you live in the Loughgall or Tassagh area? We are planning on running the
programme in both those areas during May/June. Please get in touch if interested.***

The "Museum of Orange Heritage" at Sloan's House is very proud to participate in the Queen's Green Canopy Initiative. This project was created to mark Her Late Majesty's Platinum Jubilee last year and then became a living legacy to her life and service after her passing. Over a million trees have now been planted in Her Majesty's name across the nation. At Sloan's House, the trees have been planted close to the entrance to the Garden of Remembrance and the new carpark.

Circle of Learning - Cooperation Ireland

CACD recently hosted a Study Visit from participants from the groups within the 4 hubs in the Circle of Learning programme. Visitors from Clones, Dundalk and Newry all gathered at for a Getting to Know you Workshop in Brownlow House. The workshop was followed by lunch and a guided tour and history of the property. It was encouraging to hear the positive comments from those who made the journey and hear that they planned to bring their own groups on a visit in the future.

In March, an overnight residential under the International Fund for Ireland programme, **Connect 2gether**, took place in Corick House Hotel. There were 31 participants from County Armagh Committee Development and Clones Family Resources Centre alongside Board and Staff of CACD and Clones FRC. The participants took part in workshops on building relationships, Mental Health and Wellbeing and Teambuilding. The programme was kindly facilitated by Edward Hanna of Utopian Learning.

US Declaration of Independence on display in Belfast

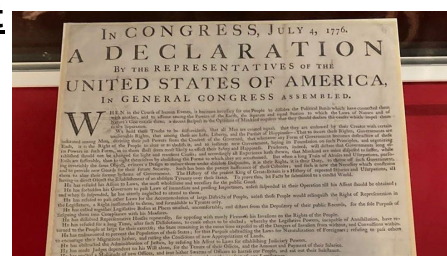

One of 26 original remaining copies of the US Declaration of Independence has gone on display in Northern Ireland. It has been loaned to the Public Record Office Northern Ireland (PRONI) from the UK National Archives for the first time.

It will be part of an exhibition at PRONI to recognise the role of Ulster-Scots people in the declaration.

John Dunlap, the American who printed the first broadside copies of the Declaration of Independence, was born in Strabane, County Tyrone, in 1747.

The broadside copies do not contain the original signatures from the 56 signatories of the 13 colonies. Instead, they were printed by Dunlap as a way to inform the public about the declaration and were put up in public places.

The Belfast News Letter was the first newspaper outside of America to publish the news in August 1776. At the time, Dunlap's printing house made 200 copies. Only 26 are now known to exist. The declaration will be on display at PRONI until July.

Information

National Lottery Awards for All funding can help you to make a difference in your community.

£300 to £10,000 to support what matters to people and communities. Open to all applications for community projects that meet our criteria. You can apply for funding to deliver new or existing activity or to support your organisation to change and adapt to new and future challenges. We can consider a wide range of projects to support, develop and strengthen communities through this programme. We can also consider projects that are supporting communities to cope during the cost-of-living crisis. We're looking for ideas that:

- bring people together and build strong relationships in and across communities
- improve the places and spaces that matter to communities
- help more people to reach their potential, by supporting them at the earliest possible stage

Contact us if you have an idea on 028 9055 1455 or at enquiries.ni@tnlcommunityfund.org.uk.

National Churches Trust support a variety of churches and meeting houses across the United Kingdom with their grants programmes. The grants are available to any Christian place of worship in the UK that is open for regular worship. They help keep church buildings in good repair, open for worship and community activities, and allow them to continue to serve people, communities and visitors in all sorts of ways. Whether you are looking to repair your roof, install a kitchen or accessible toilets, clear asbestos or simply need help undertaking regular essential maintenance to your building, we offer a range of grants to suit the size and needs of your project.

Don't wait until a regular funder opens their grant programme, plan ahead and have your ideas and plans in place to submit an application within the "open" window. This is especially good planning when building or renovations are in the plans. [Our grants | National Churches Trust](#)

Ulster-Scots Summer Schools Grant

for programmes delivered from 1 July to 31 August 2023 for groups who wish to deliver a five-day Ulster-Scots Summer School to children aged 7-16 years. Groups interested in applying should register with the Ulster Scots Agency and can receive up to 90% of eligible costs. Applications close on Friday 5 May 2023 Contact the Agency's Community Development Officer Derek Reaney on reaneyd@ulsterscotsagency.org.uk or 078 4327 9912.

The ARN Foundation Tackling Isolation Fund

The ARN Foundation's Tackling Isolation Fund will support organisations to deliver projects in support of older people affected by the cost of living crisis; and will be managed by the Community Foundation for Northern Ireland.

Closing Date: May 26, 2023 13:00

Up to £10,000 financial support

<https://communityfoundationni.org/grants/the-arn-foundation-tackling-isolation-fund/>

The Telecommunity Fund - Grant size: £500-£2,000 Priority will be given to applications from small groups, typically with an annual income of less than £200,000, as evidenced in most recent set of accounts.

Projects must aim to directly support **one** of the following specific groups:

Young people Older people People with disabilities
