A very warm welcome to our new Community Development Officer, **Ken Funston**. Ken is originally from County Fermanagh and now lives near Portadown. He has a wealth of knowledge from a varied community background and is very much looking forward to meeting people and engaging with local groups.

CACD would like to invite you and your members to
a networking event on Thursday 15th June 2023 at 7pm in the Glen, Glenanne <https://glenanne.co.uk/>

The event will commence with a short talk on the history of the Glen and how Glenanne LOL 133 came to be the owners of this 35 acre woodland.

There will then be a walk around the glen followed by a BBQ. For catering purposes we will need to know how many are attending so if you could let us know by Tuesday 6th June.

Please reply to admin@cacd.org.uk

Numbers are limited

As a Community Network Support organisation we will be attending the **"Feel Good Armagh"**

Networking event on Friday 9th June from 10.00am to 1.00pm.

We will also have a stand at the event highlighting our Community Food Initiatives work through

safe food. We will be promoting making healthier food choices, especially for children and there will be an opportunity to take part in several interactive competitions with prizes.

Out and About

County Armagh Grand Orange Lodge held a Celebration Tea in the "Museum of Orange Heritage" at Sloan's House, Loughgall, to mark the Coronation of King Charles III and Queen Camilla. Those in attendance included volunteers from

Sloan's House Orange Heritage Museum, District Masters (or their reps) and invited guests. It was a great evening of fellowship with superb food provided by Sloan's Coffee Shop, followed by a short programme of entertainment provided by Paul Berry, Raymond Walker and Ryan Harris.

Coronation celebrations for all ages were held in Aughlish Orange Hall. There was a Senior Citizens Afternoon tea organised by the Aughlish Ulster Scots Group and a Family Fun Night organised by LOL 74. Memories being made for the next generation.

Thank you to our local Councils. To Armagh City, Banbridge and Craigavon Borough Council for the funding which helped many community organisations across the area celebrate the Coronation of King Charles III and Queen Camilla. It is small scale events like this which give people the opportunity to get to know others in their local community. Also to Newry, Mourne and Down District Council for providing the opportunity to watch the Coronation proceedings on a big screen along with refreshments and family entertainment in Bessbrook.

Healthy Eating Workshop at Rathcarberry Cookery School In May the participants of the **IFI Connect 2Gether Project** attended a cookery demonstration at Rathcarberry Cookery School. Beatrice Elliott and Leanne Mulholland demonstrated how to make a healthy 3 course meal with participants getting to try the delicious food afterwards. During the demonstration of the recipes Beatrice and Leanne gave ideas on how to make meals healthier and how to increase our fruit and vegetable intake, by cooking from scratch you're in control of sugar & salt and how to reduce calories. Some of the food made was a Yogurt and Porridge Bread and vanilla Panacotta with fresh raspberries. Thank you to Beatrice and Leanne, everyone learned a lot from the experience and were very happy with the results of the cooking.
